Sir P. N. Krishna Murti K.C.I.E.
Dewan to H.H. the Maharajah of Mysore
Bangalore

Sir.

In obedience to orders of Government conveyed in Notification No. 3575/646 of the 30th August 1901, retiring me on a Superannuation pension. I respectfully beg to lay before you the following facts of my case, in view of your being graciously pleased to grant me a concession by the removal of some hardships which militate against my otherwise enjoying the full benefits of a long and creditable service under Government.

I. That I served in Mysore for a period of 3½ years in 1861-64, in the Subordinate Branch of the P.W. Department under the British Administration when I resigned to better my prospects. This service is lost to me.

II. That I was appointed Superintendent of Stationery in the Mysore Government, on a salary of ~~Rs~~ 250 per mensem on 21st April 1881, and served continuously for over 20 years; being retired on the 30th November 1901.

III. That at the date of my retirement I was

in

in receipt of Rs 800 per mensem, which salary I had been drawing since 1st July 1898, or for a period of 3 years and 5 months prior to my retirement.

IV. That unfortunately my name is not included in the list of Officers to be regarded as belonging to the Mysore Civil Service who are entitled to privilege of pension being calculated on the average emoluments of the last three years of service, a privilege which recently Government have generously extended to Officers in grades inferior to the official position I held in the service and also to other retiring Officers placed like myself.

V. That I was over 36 years of age when I was entertained in the Service on which account my pension is effected to the extent of <u>one fortieth</u> for every year over 30, in accordance with Codal Ruling, thereby reducing my pension by $\frac{7}{40}$'s.

I therefore respectfully solicit that you will be pleased to deal with my case on the generous and enlightened lines on which the Government has all along treated individual cases of those Officers who have been weighted with similar disabilities as I now find myself to labor under, and in consideration of the long and faithful services I have rendered to the

the State, you will be pleased to order

(1) My pension to be calculated on the average emoluments of the last three years of my service, i e Rs 800, and

(2) That you will exempt me from the operation of the Codal Ruling, referred to in V Supra, and grant me the benefit of my full period of service, viz; 20 years, without any withdrawal for excess of age at time of joining the service, by which I shall enjoy $\frac{20}{60}$'s or a full one third pension calculated on Rs 800 and granting me Rs 266 " 10 " 8 per mensem.

In venturing to address you on these points I would beg to remind you that Government has been pleased to grant the concession I now seek to several Officers who were placed exactly like myself on retirement and among whom I may mention the name of Messrs. A. J. Mobley, St. John Buchan and O. V. Norris.

In conclusion I beg to say that as I am intending to reside with my family in England I solicit that my pension may be ordered to be disbursed to me in London at the rate of $\frac{s}{1}/\frac{d}{9}$ from such date as I may leave India, which will be duly communicated to Government.
